The Outdoors Is Yours!

Your own car makes the whole country yours—with its peace of color and coolness. Not far from your own home are scenic treasures—adventure—fun—and romance. Find them! Follow the shores of sapphire lakes! Stop to fish in their cold clear depths. Drink in the fragrance of wild flowers and scented meadows!

You will find color wherever you go—green of forests—gold of wheat fields—blue waters of lake and stream—crimson of flaming sunsets. And always the promise of the unknown luring you on! Below is a suggestion of the rich treasure of the Middle West.

- 1—Prairie du Rocher, Illinois, the only town in the United States having a commons on the old French plan. Church records date back to 1720. House of first governor of Illinois where La Fayette was entertained used as post office. Near Evansville on State Highway No. 3.
- 2—Sully's Hill, an important wild animal preserve in North Dakota. State Highways No. 34 and No. 20.
- 3—Lecompton, Kansas, where the "Lecompton Constitution" was framed in 1857. View of Kansas and Delaware Rivers from the bluffs. Near Big Spring on Union Pacific Highway No. 10.
- 4—Storm Lake, Iowa, a beautiful resort region. State Highways No. 4 and No. 5.
- 5—Indian fortifications north of Fourteen Mile Creek, Indiana. Peculiar formation over 200 feet high and in one place hardly a rod wide. Near Charlestown on Wonderland Way No. 24 from Madison.
- 6—Mount Baldy, one of the largest sand dunes in the world, at Saugatuck, Michigan. State Highway No. 11.
- 7—Mille Lacs District in Minnesota, where the pine forests and oak forests meet. Fishing is very good in this district. State Highway No. 18 from Brainerd follows the shore of Mille Lac.
- 8—Sibley, Missouri, where Fort Osage was established in 1809, during Osage Indian War, one of the eastern terminals of the old Santa Fe Trail. Near Buckner on National Old Trails Road No. 6.
- 9—Trempealeau Mountain, Wisconsin, where Perrot, the French explorer, landed in 1685. Name derived from the French meaning "the hill which soaks in the water." Bold piece of scenery. State Highway No. 102 from Roumen.
- 10—Crystal Cave, near Sturgis, South Dakota, with 1,500 chambers of mystical beauty. Via Piedmont, State Highway No. 30.
